
EDUCATOR IN THE WORKPLACE

Does your organization or industry expect future growth and employment needs?

The Capital Region Partnership for Career Development has opened two additional sessions in the spring and we need your help bringing awareness to the individuals who are developing our future workforce in our schools.

Do you have a few hours to dedicate to helping educate educators about careers in the mid-state?

FAQ

What is needed from my organization?

A meeting room to accommodate educational professionals - you pick the number of individuals you are willing to accommodate (we suggest 10 to a maximum of 30).

What would the event look like for our organization?

- Your organization would provide area educators with a light dinner, and an introduction of the opportunities available for their students.
- Suggested structure for the evening program: 4:30-7:30pm to include: **Dinner** (first), **Presentations** from key personnel about career paths in your industry and organization, **Tour** (if possible), **Q&A** opportunity.
- Please provide an agenda, with contact information.

How do I get involved?

Participant form - email to Program Coordinator Anne Lauritzen - Anne@crpcd.org

- Yes! I am interested in participating. Please contact me so we can review how to get involved. Note: if you have already hosted an EIW in the past 18 months, please consider participating in the future.
Preferred Date/s: _____
- Yes. I am interested in visiting Advisory Council and learning more about how I can help promote Career Readiness and Workforce Development in the Mid-state.
- I am interested in reaching educators in the following regions:
- Cumberland County
 - Dauphin County
 - Northern York County
 - Perry County
