“FUTURE READY” REQUEST FOR PRESENTERS June 12 & 14

Career exploration and development pioneers are needed.

What is needed: New “Future Ready” employment sites to include and/all presentations, speakers, panels, tours, Q&A to provide a glimpse of career opportunities available in your organization and in your field.

How this helps: Providing school personnel with vital information about your industry helps to provide awareness of needs. Attendees come to understand what the employment needs are in our region, and to help with the pipeline development of future candidates.

How this works: You will have 90 minutes to showcase career opportunities in your industry AND your organization. If you are able to provide lunch, the visit will last a bit longer, and you’ll have more opportunity to speak with the educators.

Suggested timeframe:

45 min.: Presentations from key personnel about career paths in your industry and organization

30 min: Tour

15 min: Q&A

Please provide an agenda, with any/all speaker contact info. so attendees may contact you in the future.
