LEADERSHIP ACADEMY 2017

Top Pennsylvania Employers/Best Places to Work June 15 & 22

Do you have an hour and a half to dedicate to helping educate school personnel about careers in your field and organization?

What is needed: Presentations, speakers, panels, tours, Q&A to provide a glimpse of career opportunities available in your organization and in your field.

How it's done: We bus 30-40 regional educators, counselors, career coordinators and administrators to your facility (or you can choose to present at the Capital Area Intermediate Unit in Enola). These individuals represent hundreds (and sometimes thousands) of students. This information helps educators to comply with state standards and mandates, as well as gain a better understanding of your workforce needs.

You will have an hour and a half to showcase career opportunities in your industry and your organization. If you are able to provide lunch, the visit will last a bit longer, and you'll have more opportunity to speak with the educators.

Suggested structure for the program:

- 45 min.: Presentations from key personnel about career paths in your industry and organization
- 30 min: Tour
- 15 min: Q&A

Please provide an agenda, with any/all speaker contact info. so attendees may contact you in the future.
