

With over 20 years in operation, Pyramid Construction Services, Inc. has built a reputation on superior customer services, quality construction and community involvement in the Central Pennsylvania marketplace.

Every Pyramid employee embraces a “customer first” philosophy, from promptly returning telephone and email messages to servicing items beyond the customary warranty period.

Pyramid provides a wide range of construction services to its loyal customer base. To help support its growth in the region, Pyramid became a wholly owned subsidiary of Quandel Enterprises in 2004. Today, with its main headquarters located in Wormleysburg since 2010 and a branch office in Hershey that opened in 2013, Pyramid consistently performs over 400 projects a year, with revenue averaging \$60 million annually.

We are looking for talented construction professionals.

We offer competitive salary, an extensive benefits package, and a team-oriented workplace. Our commitment to safety is unparalleled. Pyramid is an equal opportunity employer. CURRENTLY HIRING:

Superintendents, Foreman, Carpenters, and Laborers

We need talented construction professionals to add to skilled team. If you are interested, send your resume or a letter of interest to bwiest@pyramidconstruction.us.
