

[HTTPS://WWW.WARFELCC.COM/CAREERS/](https://www.warfelcc.com/careers/)

Warfel Construction is a full-service construction company. We serve clients in a variety of industries across the Mid-Atlantic region. While projects vary in size and complexity, one thing remains the same: Warfel is a trustworthy partner with a commitment to excellence and straightforward values. We have *Clients for Life* not only because of the quality of the work we do, but because we do it with integrity.

We prioritize long-term goals over short-term gains. For that reason, Warfel is one of Central Pennsylvania's largest providers of construction management, design-build, and general contracting services.

CAREERS

At Warfel, we realize that one of the ways to best serve our clients is to keep our employees engaged. You'll be immersed in a culture of learning on-the-job, day in and day out. You'll be surrounded by co-workers who believe teamwork is one of the best measures of success. Whether you've worked in the construction industry for 20 years or are just considering starting your career, come check us out.
