

EDUCATOR IN THE WORKPLACE

Passionate about Career Development?

Host an informational tour for educators and bring awareness to the region about future employment needs in your industry and organization. The Capital Region Partnership for Career Development can help get your message out to students and educators in Dauphin, Cumberland, Perry and N. York Counties.

What message about future employment do you have for regional educators to bring to our students?

FAQ

Why is this important?

A significant gap exists between the needs of the workforce, and our graduating students. CRPCD strives to align workforce needs with K-12 education in our region, to help to bridge the gap.

What would the event look like for our organization?

- Your organization would provide 10-30 area educators with a modest dinner, and presentation/s of the opportunities available for employment from relevant personnel.
- Suggested structure for the evening program: 4:30-7:30pm to include: **Dinner** (first), **Presentations** from key personnel about career paths in your industry and organization, **Tour** (if possible), **Q&A** opportunity.
- Please provide an agenda, with future contact information, and your relevant take-home materials.

Get Involved

Email this form to Program Coordinator Anne Lauritzen - Anne@crpcd.org

- Yes! I am interested in participating. Please contact me so we can review how to get involved. Note: if you have already hosted an EIW in the past 18 months, please consider participating in the future.
Preferred Month/s to host: _____
- Yes. I am interested in visiting Advisory Council and learning more about workforce trends, needs and how I can help promote Career Readiness and Workforce Development in the Mid-state. Please add my email address to receive additional information in the future.
